### Getting the Word Out

In November, we traveled to Arlington, TX and had the pleasure of speaking to three Sunday School classes at Fielder Road Baptist Church all within the span of 1 hour! Eric shared God's mission in Honduras and the burden He has laid on our hearts for the Honduran people.

In December, we set up our first booth at the BMDMI annual conference in Hattiesburg, MS at Temple Baptist Church. In addition to being a learning experience, it was a wonderful time of fellowship and encouragement.

## Prayer Works!

We have spoken to many of you about Christy's passion for facilitating adoptions. While we don't know for certain if this is what God will have her do in ministry, we do know that many of you have been praying already. We have been told by missionaries on the field that the country of Honduras has refocused its child services department to emphasize foster care and adoptions rather than just children's home placements. Praise God!

### Welcome to our new ministry partners!

**1 Peter 4:10** "As each has received a gift, use it to serve one another, as good stewards of God's varied grace"

We are in need of ministry partners. Our greatest need is for ongoing monthly support. Partners are currently giving \$25 — \$100 a month, but let God lead you in what He might have *you* do. Additionally, we need funding of at least \$15,000 for language school tuition. We also need to have most of the first year's funds on hand before we can leave. We're anxious to get started! Please help to send us off soon!
