Want a *low-ink* printable copy of this newsletter?

I love designing these newsletters, but maybe YOU don't like wasting half of an ink-cartridge to print them. If you would like us to email you a white background version of our newsletter, please send me a quick email at

christyduplantis@bmdmi.org to let me know. It will be sent soon after the official copy comes from BMDMI. We would love you to be able to share these with others who are not yet involved!

Busy Bees

What a busy month! We were able to speak with our Christian brothers and sisters at Bourg Baptist Church in Bourg, LA, and also University Baptist Church in Thibodaux, LA. It was a blessing to make many new friends who loved us even before they met us, and reconnected with old friends from years past. It's interesting how when through the years fellow church members move on to different churches, when we see them again later, it's still like being with family. Of course, that's what the family of God is! Otherwise our time has been spent speaking with individuals and families about the mission, and taking care of some of the myriad of tasks that must be completed before we leave the country, such as making financial decisions, looking for the proper insurance that will cover us in and out of the U.S., settling on terms for the rental of our home, making arrangements for

Tyler, and continuous spiritual, mental and emotional preparation. On a lighter note, pantry moths invaded my kitchen and taught me first hand how to keep our food stuffs bug-free (as much as is possible anyway) which I'm sure will come in handy in Honduras.

Prayer Requests

- Spiritual perseverance
- That we trust God for His timing
- Preparation by the Holy Spirit of the hearts of those in Honduras whom He is sending us to minister to.

The next shrimp dinner fundraiser is July 24th! We will be boiling in the parking lot of First Baptist Church of Houma at the **new** campus in Gray. It will be from 11am—1pm. Call 985-860-5444 to order some shrimp or come out to help!

Pictures of Love

If you have agreed to support us in prayer or finances, please mail a picture of yourself to :

I would like to make a collage of your faces for us to take with us. It will help to remind us that we have the family of God behind us. I promise not to publish the pictures in any form. They will only be displayed in our home in Honduras. 😊

Needs

We continue to be in need of ministry partners. Our greatest need is for ongoing monthly support. If we could get the following support slots filled, we'd be ready to go!

1 partner at \$200 monthly

7 ~~8~~ partners at \$100 monthly

8 ~~9~~ partners at \$50 monthly

5 ~~7~~ partners at \$25 monthly

See below for how to give —Thanks!

Waiting to give? If you have pledged to give, **now is the time to start.** BMDMI has to see the monthly funds coming in steadily **before** they'll give us the green light to leave.
