Big News!

Earlier last month, we received approval to move to Honduras! Though we are not completely funded, we are depending on the Lord to provide for His mission and our family. We will fly to Tegucigalpa on October 15th, and travel to language school from there. Life has been a whirlwind of activity and details to attend to. Saying “see you later” to so many friends and loved ones, arranging legal matters, arranging for shipping (deciding what to ship!) and having one HUGE garage sale.

We are SO thankful for everyone who has prayed and given. This could not be accomplished without the people of God coming together to do His will.

James 5:16 Confess your trespasses to one another, and pray for one another, that you may be healed. The effective, fervent prayer of a righteous man avails much.

Thanks!

To the children and parents of Victory Church of Houma for the VBS donation of \$400. The church also donated some great puppets for future use in ministry.

To everyone who came out to help in anyway with the shrimp boil on July 24th. Over \$5500 was raised!

Prayer Needs

- * That God would continue to watch over the health of the family. We have had several illnesses come up in the last few weeks. We know the enemy is trying to hinder us, but God’s power will prevail.
- * To continue to prepare the field, both in Honduras and in our hearts.
- * For loved ones being left behind, that the Holy Spirit find an open door to provide comfort and companionship to them.

One more shrimp boil! Our benefactor has offered to do one more fundraiser. It will be Friday, September 18th in the FBC Houma parking lot (new campus). Call 860-5444 to order plates or volunteer! We especially need drivers to deliver plates to area businesses.

Homeschooling

The kids started school again on August 10th with Eric as their teacher. This is Benjy's first year and we're glad to say he's loving it so far!

Saydi is studying Lewis and Clark in History.

Fundraising Progress

Needs

We continue to be in need of ministry partners. Our greatest need is for ongoing monthly support. God has provided a short-term solution to our transportation needs, but we also still need to raise funds for a reliable long-term vehicle.

- 1 partner at \$200 monthly
- 7 ~~8~~ partners at \$100 monthly
- 7 ~~9~~ partners at \$50 monthly
- 5 ~~7~~ partners at \$25 monthly
